

As part of the Housing and Economic Recovery Act (HERA), passed by Congress in July 2008, \$3.92 billion was provided to communities hardest hit by residential foreclosures and mortgage delinquencies.

The Town of Pahrump and Douglas County has received approximately \$1.2 million in Neighborhood Stabilization Program (NSP) funds to help families purchase foreclosed homes, which helps stabilize neighborhoods.

NSP Homebuyer Assistance funds are for principle buy-downs, down payment and closing cost assistance for eligible homebuyers. These deferred loan funds do not accrue interest and do not require any monthly payment.

Rural Nevada Development Corporation is a 501(c) 3 non-profit development corporation formed in January 1992 to serve the fifteen (15) rural counties, rural Clark and Washoe counties, and the twenty-seven (27) Native American tribes of Nevada. RNDCC has been responsive to the needs of rural communities by addressing critical issues such as affordable housing, down payment assistance, homeowner rehabilitation and small business alternative lending practices and has received certification from the Department of Treasury as a Community Development Financial Institution (CDFI).

Its ability to leverage involvement statewide from public and private sources has been successful. In 1999, RNDCC business-lending program won a "Best Practice" award from HUD for its creativity in addressing a problem, and effectively leveraging resources. Collaboration among state, federal, local governments, private, and other non-profit organizations is the primary reason RNDCC has been successful.
